

Your gateway to success

Quintadena is expanding its winning formula

The World no 1 reseller of the award winning Quotewerks business management systems for the last three years, **Quintadena**, is looking for partner franchisees to share their success.

Are you

- Motivated to run your own business and looking for a proven concept
- Able to talk with small and medium size business owners about how to improve their productivity and sales
- Really into customer service as the way of creating a client for life
- Interested in people and business in your local area
 - Looking for a franchise opportunity that is truly unique

The facts

- Market size – over 4 million micro, small and medium size businesses in the UK
- Each franchisee has an exclusive territory with a target 50,000 prospects
- Now is the time to get on board – we have territories available in all parts of the UK
- Target single franchisee turnover £100,000 a year with earnings of £60,000
- No premises or stock to fund
- Investment level only £10,000

Action
